

Requesting the Dare To Believe Sozo Team to Travel to Your Location:

The Dare To Believe Sozo Team is honored to consider travel to your location for the purposes of providing training at your site, establishing/activating a Sozo Team at your location, or providing additional training/mentoring for an established team.

Housing for the DTB Sozo Team will be supplied by the host church/organization. Please consider the team member's need for privacy, rest, and possible pet allergies when arranging housing. If there is a need for a maximum number of team members because of housing, please include that information on the travel request form.

Meals will also be provided by the host church or organization.

The host church or organization will provide for travel expenses for the team from and returning to the Minneapolis/St. Paul area.

Personal ministry sessions/mentoring

Our team can provide personal ministry for individuals who wish a Sozo appointment. These Sozo personal sessions are recommended for those in leadership, those interested in leadership of the Sozo ministry or other individuals. There is a fee of \$75 per personal ministry session.

Your Sozo team members who have already experienced a personal Sozo session can sit in during these ministry sessions for the purpose of gaining experience, mentoring and coaching. It is helpful to schedule a debrief session with our team if we have been mentoring your team members.

Charging for the seminar/training/mentoring

The church or organization decides if there is a charge for the Sozo training seminar/training/mentoring.

Some suggested methods for charging for attendees:

- charging for the seminar and a separate charge for the manual
- charging for the seminar with the manual included
- charging for the manual only
- Taking a love offering for Dare To Believe Ministries

Basic Sozo Training: Pastor Kristi Graner is the Regional Advisor for Bethel Sozo Ministry and is available for teaching the Basic Sozo Trainings. Other trainings are available upon request.

We request an honorarium or love offering should be given when we teach a seminar.
